Dear Parent/Carer

I am writing to inform you that the school has decided to update the mobile phone policy. Currently, students are able to access their phones outside of the building at break and lunch.

From the 7th January, the use of phones in school, at any time, is banned. Any phone that is seen, used or heard during the day, will be confiscated until the end of term. The reason for the update is because, as a school, we wish to keep students safe in all aspects of their lives.

Thank you in advance for continuing to support the school in maintaining high standards to improve student wellbeing.

Please contact me directly if you wish to discuss this further.

Yours faithfully

J. Plumbis
Assistant Headteacher
