Dear Parent/Carer

Year 8 Option Evening

We are inviting you to attend an Option Evening on Tuesday 5th March between 4.30 and 5.45 pm. There will be a presentation during the evening to share important information on:

- The options process
- Overview of courses available
- Advice on making the right choices

There will then be the opportunity to speak to representatives from the various subjects which your son will be able to select for his key stage 4 subjects. This will include being able to look at examples of exam questions, text books, student work and homework as well as finding out about course content. Please note that this is NOT an opportunity to discuss your son's progress, this will take place at Academic Review Day in April, prior to the options interview with his tutor.

This is a vital evening for all Year 8 parents, so we urge you to support your son by attending.

Yours sincerely

Byron Parker
